#1966BE

Series 3, No. 6—28 August 1970

ISLAM VICTORIOUS! TURKEY IN OVERWHELMING WIN OF LAST SWENSON GAME! TSAR SURRENDERS, GOES INTO EXILE IN WALNUT CREEK. OTHER POWERS IN POLITICAL CHAOS AS EMPEROR, KING OVERTHROWN. BOB KEATHLEY POSTS FIRST POSTAL WIN, MARKED PRIMARILY BY PROLONGED WAITING.

Winter 1813: Brian Bailey and Mike Childers did not respond to last issue's call for moves. They are accordingly removed from play and their countries stand in civil disorder for lack of replacement players. Charles Turner had the courtesy to write, and has resigned.

AUSTRIA (Bailey): No change. ENGLAND (~~6/11/11~~)(civ.dis.): No build received; could have built 1. RUSSIA (~~1/1/1~~)(civ.dis.): No change. TURKEY (Keathley): Build A Ank, A Smy.

Spring 1814:

AUSTRIA (~~3/1/1~~)(civ.dis.): A Vie, A Gal, A Bud, F Ven, A Tyr, A Gas /h/. A Gal is /a/.

ENGLAND (civ.dis.): A Bre, A Bur, A Bel, F Mid, F Iri, F Eng /h/. F Naf /h/ /a/.

RUSSIA (civ.dis.): F Bot, F StP(so) /h/.

TURKEY (Keathley): A Ukr-Gal S by A War, A Mos-StP, A Bul-Rum S by A Ser, A Tri-Ven, F Alb-Adr, A Gre-Alb, F Aeg-Ion, F Con-Aeg, A Spa-Mar S by F Lyo, F Tun-Naf S by F Wes, F Por-Mid, A Ank-Arm, A Smy H.

AT THIS POINT, Turkey holds 17 out of a total of 30 units on the board, a clear majority. As the House-Rules under which this game operates have been altered (after a requested vote from all players elicited only 9 responses out of a possible 52), Turkey is clearly the victor.
